

# University of Canberra

## Graduate Certificate in Business Administration

# ALWAYS DELIVER

### What to expect

Delivered by Ducere Global Business School and the University of Canberra, this qualification is designed to meet the needs of the modern learner through industry relevant and applied learning. You will engage with concepts including organisational culture, finance, ethics and decision making.

With flexible online learning, unparalleled student support, and practical assessments with no exams, you can expect real skills that you can apply from day one.

### You'll learn about

- » Leadership and management
- » People and culture
- » Ethics and decision making
- » Finance for managers

### How it works

Learn from the insights of over 250 global leaders and business innovators. These insights are embedded throughout course content, bridging the gap between academic studies and practical, industry-relevant learning.

You'll also have the opportunity to expand your network by attending student and industry events with our course delivery partners, including KPMG, NAB, PwC and Telstra.

### Pathway to MBA

Upon successful completion of the Graduate Certificate in Business Administration, it is possible to articulate directly into the second trimester of the Master of Business Administration (Innovation and Leadership).

### What they say

"The Graduate Certificate was THE sure fire way to dip my toes in – before diving into the MBA. The content, delivery and support caters to candidates who are time poor but with an appetite for personal progression."

– Magenta Potocnik, Graduate
